NOTICE: All Land Use Permits Expire One (1) Year from the Date of Issuance if Construction or Use has not begun.

For The Construction Of New One & Two Family Dwelling: ALL Municipalities Are Required To Enforce The Uniform Dwelling Code.

The local Town, Village, City, State or Federal agencies may also require permits.

You are responsible for complying with state and federal laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the department of natural resources wetlands identification web page or contact a department of natural resources service center (715) 685-2900.

NOTICE: All Land Use Permits Expire One (1) Year from the Date of Issuance if Construction or Use has not begun. For The Construction Of New One & Two Family Dwelling: <u>ALL</u> Municipalities Are Required To Enforce The Uniform Dwelling Code. The local Town, Village, City, State or Federal agencies may also require permits.

You are responsible for complying with state and federal laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the department of natural resources wetlands identification web page or contact a department of natural resources service center (715) 685-2900.

(Disclaimer): The Planning and Zoning Department does not authorize the beginning of any construction or land use; you must first obtain land use application(s)/permit card(s) from the Planning and Zoning Department. You (the property owner) shall fulfill the conditions placed by the Board of Adjustment; your recorded affidavit; sanitary (if applicable) and/or any additional requirements placed by this Department. The Planning and Zoning Department requires verification/proof that all conditions have been met. Any future expansions or development would require additional permitting.

Condition(s): See reverse side.

NOTE:

Conditional Use permit shall automatically terminate 12 months from its date of issuance if the authorized building activity, land alteration or use has not begun within such time. If your Conditional Use is discontinued for 36 consecutive months, the permit authorizing it shall—automatically terminate, and any future use of the building(s) or property to which the permit pertained shall conform to Ordinance.

Changes in plans or specifications shall not be made without obtaining approval from Planning and Zoning Committee. This permit may be void or revoked if any of the application information is found to have been misrepresented, erroneous, or incomplete.

This permit may be void or revoked if any performance conditions are not completed or if any prohibitory conditions are violated.
